## How to Order

Item Number will consist of 6 digits except where grade designate is two numbers instead of one (95, 96, etc.) and where options are added to basic handle (O=Octagon).

Format will be XXX-XXX or XXX-XXXX

First 3 digits designate handle type (D. B. Axe)

Next 2 digits designate length of handle

Last digit (or 2 in some cases) designates grade

Optional Digit (O=Octagon)

(K=Plumb Kit - Oval)

(R=Plumb Kit - Rect. Eye)

Example: Double Bit Axe, 36" Long, AW Grade = 161-362

X X X X X X

Length Codes: Self-Evident

Grade Codes: Used for all Handle Types

1=AAW 2=AW 3=BW 4=AR 5=Flame Seal 6=CW 7=BR 8=Fire Brand

9=C 98=Walnut Stain

C=Cobra

F=Flint

P=Patriot

S=Service

## GOVERNMENT GRADING for HICKORY HANDLES<sup>1</sup>

[The grading of handles is based on visual inspection of each handle and on the judgment of the grader. It is not expected that the grader will determine the weight per cubic foot or number of rings per inch for each handle. In case of question, however, one or both of these characteristics may be measured for conformance with the requirements given in this table for each grade.]

Grade Symbol	Color of Wood	Number of Annual Rings per inch of radius	Weight in pounds per cubic ft. <sup>2</sup>	Admissible blemishes and defects <sup>4</sup>
AAW.....	All white.....	Not over 17	At least 55	Two small streaks or equivalent in shorter streaks.
AW.....	All white.....	Not over 22	At least 48	Four medium streaks or equivalent in shorter streaks. Light stain.
AR.....	Red or red and white.....	.....do.....	.....do.....	Do.
BW.....	White, except for red extending from the eye not more than 2" beyond the shoulder or 3" from the grip end or both.	Not over 27	At least 42	Anywhere in handle. Two sound tight knot neither larger than 1/4" average diameter. Large streaks including those caused by birdpecks. Slight dip grain. Light stain. First third of grip end and eye end. Heavy stain. Slight failure. First third of grip end or eye end. A total of not over 2 additional knots or birdpecks neither larger than 1/4" average diameter. Eye end. One split not over 1/2" deep.
BR.....	Red or red and white.....	.....do.....	.....do.....	Do.
CW.....	White, except for red extending from the eye not more than 4" beyond the shoulder or 5" from the grip end, or both.	No limitation.	No limitation	No limitation.
C.....	No specific limitation on color, annual rings, weight, blemishes or defects
